

We cordially invite you to the quadrennial **SWIL reunion**, happening April 8th-10th 2011, on Swarthmore's campus. A weekend of seeing old friends, making new ones, playing, singing, dancing, discussing, laughing, meeting, and generally recreating with scores of fellow alumni. There's no cost for attending reunion, though we'll only be providing the snacks and meeting rooms. A limited number of spaces in the College guest house (Ashton) have been reserved for us. We'll also have a block of rooms in the nearby Days' Inn on Baltimore Pike, and there are area alumni and current PsiPhi students who may have space available.

What we're asking you to do:

First of all, please come! Or at least reserve the weekend on your calendar while you decide whether you can. Second, register, by going to [www.swil.org/reunion32](http://www.swil.org/reunion32) for online registration and further info, including (eventually) a list of everyone who's registered so far, so you can tell who you'll be reuniting with.

Third, subscribe to the Reunion list by going to [web.swil.org/mailman/listinfo/reunion](http://web.swil.org/mailman/listinfo/reunion). It's where people will share plans and suggestions for making the weekend a fantastic one.

If you're really eager to help out, join the Planning team by going to [web.swil.org/mailman/listinfo/plan-9](http://web.swil.org/mailman/listinfo/plan-9).

And \*even if you can't come\*, please send a photo and 250-character writeup about yourself for an All-SWIL Cygnet that we hope to unveil at Reunion. See the website for submission details.

We plan to have several rooms in Kohlberg Hall as our base of operations, with various other activities in other buildings, and around/under/above campus itself. As a schedule comes into existence, it'll be posted on the website and the Reunion list.

Whether you were a SWIL President or only came to a few events, whether you live and breathe science fiction or just like to do things with imaginative, fun, difficult-to-pigeonhole people, Reunion is meant for all. We hope to see you there!

-Jillian Waldman '06 and Jerome Fung '06, SWIL-32 co-chairs
